An emergency ordinance, or the part thereof petitioned to referendum, shall continue in effect for sixty days following receipt of such petition. If the question of approval or disapproval of any emergency ordinance, or any part thereof, has not been submitted to the qualified voters within sixty days following receipt of the petition, then the operation of the ordinance, or the part thereof petitioned to referendum, shall be suspended until approved by a majority of the qualified voters voting on the question at any election. Such a petition is null, void and of no effect.

The clerk–treasurer shall present at the hearing: 1) a certificate of publication, which certificate shall be deemed proof of notice; and 2) copies of the notices mailed as aforesaid, but failure of any owner to receive the mailed copy shall not invalidate the proceedings. The date of hearing shall be set at least ten and not more than thirty days after the clerk–treasurer shall have completed publication and service of notice as provided in this section. Following the hearing the council, in its discretion, may vote to proceed with the project and may levy the special assessment.

(g) *Payments.* Special assessments may be made payable in annual or more frequent installments over such period of time, not to exceed ten years, and in such manner as the council may determine. The council shall determine on what date installments shall be due and payable. Interest may be charged on installments at the rate to be determined by the council.

- (7) Secs. 791–795 of the 1930 Edition of the local code of Washington County contained the provisions of secs. 1–5, ch. 97 of 1929, concerning the issue of bonds for a water works and water distributing system. They were not specifically repealed by the resolution of March 5, 1957, which revised the town charter. Sec. 791 authorized the issue of bonds up to \$50,000; and sec. 792 provided for a referendum on the entire Act; both are omitted in this footnote. Secs. 793, 794 and 795 from the 1930 Code were as follows:

“793. If the result of said election shall be in favor of the Bond issue, that the Mayor of Smithsburg, as soon after this Act becomes effective, as it is possible so to do, by and with the advice and consent of the Council of said town, shall (immediately) appoint from the taxpayers of said town, four persons of proper personal qualification, who, together with the Mayor, shall constitute and be a water Board, and shall have charge of the construction and management and maintenance of said Water Works and Water Distribution System. They shall appoint from their own number a treasurer, who shall give bond to be approved both as to amount and sureties by said Water Board for the faithful performance of his duties as such Treasurer. The said Treasurer shall receive the proceeds of sale of said bonds or any other money which may be received on account of Water Works and Water Distribution System, shall deposit the same in a bank to be designated by said Water Board, and shall disburse the same on orders of said Water Board by check to be signed by himself and by the Mayor of said town. The said Water Board is authorized and empowered to contract for, purchase in fee simple or lease for a term of years, renewable at their pleasure, any land, real estate, spring, brook or water course, which they may deem necessary for the purpose of supplying the said town and citizens thereof with water, and they are hereby vested with all the rights and powers necessary for the introduction of water in said town, including the authority to contract with any water company, persons or corporation, to furnish water sufficient to supply the needs of said town. If from any cause said Water Board shall be unable to agree with any owner of real or leasehold estate, spring, brook, water or water course or any other material which partakes of or is a part of real estate, or for any right of way which they may find necessary for conduits for said water to enter in and distribute through said town, or if such owner is under any disability or incapacity to contract, or absent or unknown, the said Water Board is hereby clothed with power of condemnation under the right of eminent

domain, as now provided by the Code of Public General Laws of Maryland as fully as if said provisions had been herein incorporated. The said Water Board shall make rules and regulations for the construction, erection, management and maintenance of said Water Works and Water Distribution System and shall establish rates for water service, and shall make a semi-annual report of their proceedings and of the condition of said Water Works and Water Distribution System to the Mayor and Council of Smithsburg; they shall have power to enter into contracts for building said Water Works and Water Distribution System, to contract for material thereof, to employ all necessary labor and clerks, and to fix their compensation, and the four persons appointed to said Water Board shall be appointed for the term of one, two, three and four years, respectively, as to the first appointees, and their successors shall be appointed for the term of four years. Any member of the Water Board shall be eligible for reappointment, and the Mayor of said town for the time being shall always be ex officio a member of said Water Board.”

“794. For the purpose of paying said bonds at maturity and the interest thereon, the Mayor and Council are authorized and required to levy such amount of taxes upon the property within the taxable limits of said town as may be necessary to enable them, in connection with the revenue arising from said Water Works and Water Distribution System, to pay said bonds and the interest thereon, as same becomes due and the operating expenses and necessary repairs to said Water Works and Water Distribution System; in each year until all of said bonds shall be paid off, the said taxes so collected shall be paid to the Treasurer appointed by said Water Board, and the amount levied for this purpose shall be in addition to the amount now authorized by law. The moneys arising from water rents shall be applied, first, to the payment of current expenses of said Water Works and Water Distribution System; secondly, to payment of interest on bonds, and, thirdly, as to any balance to provide a sinking fund for the payment of said bonds; and when any bond is paid off it shall be immediately burned and the fact noted in the registration book hereinbefore required; and said Water Board is hereby directed to provide and locate convenient hydrants and fireplugs for the protection of property from fire.”

“795. The titles to said Water Works and Water Distribution System, with all the land, conduits, privileges, franchise and materials thereto appertaining shall vest in the Mayor and Council of Smithsburg in their corporate capacity.”
